Man it's ...hard, I ain't even gonna play with it  
Beat the pussy up, I ain't even gonna play with it  
Louie V ... on the sofa  
Hundred dollar bills on the table like they coasters  
You know how to find me, catch me in the mall  
Sex 5th... shit above the wall  
See my jeans... she know when I'm behind her  
One thing about my shooters yeah they gonna find ya  
Big face rollie motherfucker I'm a ...  
Never been broke motherfucker I'm a grinder  
Weed so good you gotta put it in the grinder  
2:33 the first week I'm gonna remind you  
Shorty got potential I could be her sponsor  
Met her back stage at a summer jam concert  
Hair like Rihanna shoe game was awesome  
Could tell by her aura she want a shot caller  
Wanna be with a baller shot caller  
Can tell by her aura she wanna shot caller  
Wanna be with a baller shot caller  
Can tell by her aura she wanna shot caller  
Back on the scene, crispy and clean,  
LV the logo even on the chain,  
Dopey funny style with a funky funky child  
I do it frenchy style I let the money pile  
She aint wanna talk till she seen the top off  
Call me pimp homicide let her jump off  
Feel the texture? webster  
Stand on my own not who I stand next ya  
Can I hit it in the morning (mornin') fo sho I'll be pimpin  
like a pro  
All the bad bitches know when the money hit the flo  
better pick it up  
(Pick it up pick it up pick it up)
