Jeezy? What up?  
Where you at?  
Shit, I'm in the hood where you  
Think I'm at man you know, shit

Still comin' over?  
Ay man, what I tell you earlier man, I'll be through there  
man  
Mmm, I've been waitin' for you since you left me  
S-s-s, that's how you feel? Yeah

Red dawgs at my trap got me 4 a half a stone  
See I'm trappin' all day, can't wait to get home  
I'ma tear dat pussy up  
She layed up in the bed, she ain't got no panties on

So as I hit the do' she already know it's on  
I'ma tear dat pussy up  
Two logs two shots of Patron  
Grey Goose got me loose, tripple stack in my lungs

I'ma tear dat pussy up  
Stand up at the trunk, gettin' my grown man own  
Get up in them guts, you know it's on till the morning  
I'ma tear dat pussy up

Got one baby mama, no bitch, no wife  
Like pac, ya need a thug in your life, yeah  
A young nigga to straight come through and beat it up  
Let yo man be the freak, he can eat it up

Shorty got that fire she ain't let me down yet, nope  
Got a Aquafina flow, call it wet, wet, damn  
Baby good with her mouth, says the right things  
Got a head on her shoulders, she does the right things

If she a bad bitch, y'all ready know  
Face like Trina and an ass like Jacki-o, ohh  
Got a gangsta on a mission, mission  
Best believe I know all the right positions, that's right

She like it slow from the front, fast from the back, back

Put the pound game on her, hit her from the back  
I'm young and thuggin', I don't give a fuck  
He can make love to you, I'ma beat it up

Red dawgs at my trap got me 4 a half a stone  
See I'm trappin' all day, can't wait to get home  
I'ma tear dat pussy up  
She layed up in the bed, she ain't got no panties on

So as I hit the do' she already know it's on  
I'ma tear dat pussy up  
Two logs two shots of Patron  
Grey Goose got me loose, tripple stack in my lungs

I'ma tear dat pussy up  
Stand up at the trunk, gettin' my grown man own  
Get up in them guts, you know it's on till the morning  
I'ma tear dat pussy up

Me and shawty in the coop, Lord knows she's a star,  
star  
For some strange reason she likes to do it in the car,  
damn  
She ain't the type that be runnin' her mouth, nope  
So I keep it gangsta with her, let her come to the house,  
hey

Let her play matter wit slick, when we in the bedroom  
She like to play with the stick, yeah  
I know just how to handle her, how?  
No amateur baby, I got stamina, yeah

Jeezy in the deck, now she grindin' to the beat, beat  
Legs vibratin', now she messin' up my sheets, ha haa  
Got a fistful of hair and a fistful of ass, ass  
She came first, I came last, roll the grass, hey

Red dawgs at my trap got me 4 a half a stone  
See I'm trappin' all day, can't wait to get home  
I'ma tear dat pussy up  
She layed up in the bed, she ain't got no panties on

So as I hit the do' she already know it's on  
I'ma tear dat pussy up  
Two logs two shots of Patron  
Grey Goose got me loose, tripple stack in my lungs

I'ma tear dat pussy up  
Stand up at the trunk, gettin' my grown man own  
Get up in them guts, you know it's on till the morning  
I'ma tear dat pussy up

We pull bad hoes, rip them, push them to the side  
'Cuz real players, keep reserves when it's clutch time  
Matter fact, my bottom bitch love to ride pine  
She know when daddy leave the block, that it's cut time

I'm in the trenches, gettin' riches wit my comrades  
We fold hoes up, like slacks in the player path  
Pretty skin, silky hair, plus that ass fat, uh huh  
Fresh kicks on your feet, ya I'm diggin' that

Slick consako, yo boys slingin' wood bitch  
You want that straight drop dick  
Come to the hood bitch  
I like to scout them ghetto hoes up in 20 grand

'Cuz them the ones be wit that freaky shit man  
Two drinks, three beans, now she rollin' man  
The tool in her throat, I'm just tonsil patrollin' man  
True pro's with this shit, we ain't new jacks  
We drill hoes and switch 'em up like fitted caps

Red dawgs at my trap got me 4 a half a stone  
See I'm trappin' all day, can't wait to get home  
I'ma tear dat pussy up  
She layed up in the bed, she ain't got no panties on

So as I hit the do' she already know it's on  
I'ma tear dat pussy up  
Two logs two shots of Patron  
Grey Goose got me loose, tripple stack in my lungs

I'ma tear dat pussy up  
Stand up at the trunk, gettin' my grown man own  
Get up in them guts, you know it's on till the morning  
I'ma tear dat pussy up
