Got a real bad bitch, bitch put me down on the lick

Know what I'ma do grab my K and my glove
Then I'm callin up my cuz,, black rag, black mask, leave

Then I'm comin straight to the club with the rainbow

Riding in my brand new Benz, that would be the SLR
That's a quarter mill, that will be two fifty flat,
That will be the SL car, back to the lick
Here, let me call up slick
Let them know we're here with the play
Tell them it's call poo, then we're gonna call up two
(Deuce) Then â€¦ dayYeah, shut up mascot four clip

If a nigger flints she gonna get knocked down
Gotta hax out when the back could of howl
Cut his ass up, they howl his ass out
Didin't change bags up, I filled them with salt
In the dry walls they â€¦ alive
And then feel the boys found butter honey â€¦
Still pack ice got big like wow
Everybody get it now I'm getting really good
My nigger young got a â€¦chair in the woods

My nigger young got sideways with skull
Clean getaway to the spot we flow

You might not be coming, but it's â€¦ you miss the
