One in the hole, cause these n-ggas will test ya
Them indictments come round, that shit there, stress
ya
FBI, GBI, either way they aint playing
Nothin' stopping this money, guess that's all that I'm
saying
2 milli in cash, that paper look like it standing
Even taller than me, that paper look like its canon
Take them bricks out the bag, them bitches look like
they pilin'
Stack them up on the dresser, bitches look like they
smilin'
Then it's back to the soda, back to the yoda
All this white in this kitchen I got this bitch looking polar
Another 300 racks, thats in the safe in the closet
Got the pyrex at hand, going hard at the faucet
