Verse 2
I don't chase no broads
I chase money and vodka
Next time I re up
Ima buy me a chopper
And I aint talking da AK
I'm talking shit wit propellas
Fly to the club make my old bitch jeaulous
Thug motivation
It's a straight celebration
I seen jizzle in his chopper
Outside central station
This aint a mixtape but the tapes mixed
Black tape grey tape all on one brick
Get it on the flo
Get get it on the flo
Last night I swear to god half a million on the flor
Fell asleep on the money like a pillow on the flo
Woke up countin money had to get it off the flo

Chorus:

Dey say who dat
Nigga we dat
Shawty redd on the track

Dey say who dat
Nigga we dat
Reportin live from the trap

Dey say who dat
Nigga we dat
Shawty redd on the track

Dey say who dat
Nigga we dat
Young live on da track

Verse 3

Wat u know about 20 grand
Stuffed in a white sock
Pull off in a white drop
Like I play for the white socks
Play wit them white rocks
Play wit them white squares
U call it wat u want
Who the f**k cares?
I don't never sleep (why)
Too paranoid
State of paranoia
All I do's call my lawyer
Tell him I know a nigga that might have a little trouble
Ok u know it's me if u beat it I'll pay ya double
Yall niggas know it's me
If I want 2 I'll make it double
Just know it's water whipped so u might have a little
trouble
Might move a little slower
Might get a few complaints
Say he ran out of gas?
He might need a half a tank
Thank god it's friday
Fresh off the high way
Say he 2 minutes out
He bout to pull in the driveway
(Where?)in the driveway
(Oh)take the work out
(How?)cut the duck tape
(Yea)take the work out
YOUNG!

Outro: shawty redd
I keep tryin to tell yall man
Yall need to find yall own style homie
We do this, we been doin it for years
Who dat
We dat
Hahah
