Win win, win win, win win, win win, win  
Win win, win win, win win, win win, win  
Win win, win win, win win, win win, win  
Turn the deuce to a 4 to a 9, made history  
Half to a whole over night this is victory

Win win, win win, win win, win win, win  
Win win, win win, win win, win win, win  
Win win, win win, win win, win win, win  
A hundred ballers in a club one time, that ain't shit to  
me  
So tonight everything's on me, this is victory

They like god damn young, nigga where that album at?  
Niggas talking like he fell off, just imagine that  
Know anything about young he, aint havin' that  
Flip a 20 to 'nother 20 more he a acrobat  
Think I came all this way so ya'll can out a nigga  
Took them road trips, whole thangs so y'all can doubt a  
nigga  
Who you think count the money up, the rubber band  
clan  
Put it in the chevy turtle tops and rubberband van  
3 9's, one 4, two deuces that's a 36,  
Show you niggas how to cash out, bought me 30 bricks  
Counting in my man's apartment, in his living room  
Paper all on the tv, need some living room

Win win, win win, win win, win win, win  
Win win, win win, win win, win win, win  
Win win, win win, win win, win win, win  
Turn the deuce to a 4 to a 9, made history  
Half to a whole over night this is victory

Win win, win win, win win, win win, win  
Win win, win win, win win, win win, win  
Win win, win win, win win, win win, win  
Hundred ballers in a club one time, ain't shit to me  
So tonight everything's on me, this is victory

Still trapper of the year, where the fuck my trophy at?  
Ever was a real nigga title guess who holdin' that

poppin' rose in the club, guess who toting that  
Standing on the stage making rain, guess who showin'  
that  
And they know we took nobody to the spot, half of milli  
there  
Before I ever even seen the mike, was a millionaire  
Seen Jizzle stuntin on Gangland, Diamonds in the  
chain,  
If you look a little closer, Diamonds spell his name  
Put the hundreds with the hundreds, yeah that's right  
straighten up the mail  
Got enough shit in my head to send me straight to jail  
Welcome to a day in the life, they just talking drugs  
Co-sign half these niggas, I'm the fucking plug

Win win, win win, win win, win win, win  
Win win, win win, win win, win win, win  
Win win, win win, win win, win win, win  
Turn the deuce to a 4 to a 9, made history  
Half to a whole over night this is victory

Win win, win win, win win, win win, win  
Win win, win win, win win, win win, win  
Win win, win win, win win, win win, win  
Hundred ballers in a club one time, ain't shit to me  
So tonight everything's on me, this is victory
