(The ENGINEER leads CHRIS,
JOHN and ELLEN into a little room where TAM is playing
on the bed)

(A gunshot, KIM's body falls out from behind the
curtain)

[CHRIS]
KIM! KIM!

(CHRIS picks up KIM and cradles her in his arms)

What have you done, Kim - why?

[KIM]
The Gods have guided you to your son
[CHRIS]
Please don't die!

[KIM]
Hold me one more time

(CHRIS holds her)

How in one night have we come...so far

(KIM's embrace becomes lifeless. CHRIS sobs, holding
her)
