ELLEN:

I don't want this, don't want to fight her...
What did I do?
I didn't come here to meet a girl who loves my
husband!
Chris has a son, he has to see him.
But if he does, she'll be there with him...
I came here to help, but what do i do?
Now after this, what can I do?

There are days,
there are days when your life clouds over
and the world gets so dark
that all at once you can't tell night from day.

There are times,
when your heart cries 'this isn't happening',
but the truth is cold and real
and I know this storm won't go away.

It's her or me,
now there's no way to hide!
She is not some fling from long ago.
It's her or me.
Now I know why he lied,
and I think it was better when I didn't know.

In her eyes,
in her voice,
in the heat that filled the air:
part of him still lingers there.
I know what pain her life today must be,
but if it all comes down to her or me
I won't wait;
I swear I'll fight.

It's her or me,
and it's me he must choose!
I don't hate this girl even so.
It's her or me.
It's a fight I can't loose!

I can't live wondering where his heart is;
now I have to know.
