KIM

Last night I watched him sleeping
My body pressed to him
And then he started speaking
The name I heard him speak...was Kim
Yes I know that this was years ago
But when moonlight fills my room I know
You are here...still

I still
I still believe
You will return
I know you will
My heart
Against all odds
Holds still

Yes, still
I still believe
I know as long as I can keep believing
I'll live
I'll live
Love cannot die
You will return...you will return
And I alone know why

ELLEN

Last night I watched you sleeping
Once more the nightmare came
I heard you cry out something
A word that sounded like...a name
And it hurts me more than I can bear
Knowing part of you I'll never share
Never know

But still
I still believe
The time will come
When nothing keeps us apart
My heart, forever more
Holds still

It's all over, I'm here
There is nothing to fear
Chris, what's haunting you?
Won't you let me inside
What you so want to hide?
I need you too!

KIM
For still

ELLEN
I will hold you all night
I will make it all right

KIM
I still believe

ELLEN
You are safe with me

KIM
As long as I

ELLEN
But I wish you would tell
what you don't want to tell

KIM
Can keep believing, I'll live

ELLEN
What your hell must be

KIM
I'll live

ELLEN
You can sleep now

KIM
You will return

ELLEN
You can cry now

KIM
And I know why

ELLEN
I'm your wife now

KIM
I'm yours

ELLEN
For life

KIM & ELLEN
Until we die
