KIM:

You who i cradled in my arms
You asking as little as you can
Little snip of a little man
I know i'd give my life for you
You didn't ask me to be born
You why should you learn of war or pain?
To make sure you're not hurt again
I swear I'd give my life for you
I've tasted love beyond all fear
And you should know it's love
that brought you here
And in one perfect night
when the stars burned like new,
I knew what I must do
I'll give you a million things I'll never own
I'll give you a world to conquer when you're grown
You will be who you want to be
You, can choose whatever heaven grants
As long as you can have your chance
I swear i'll give my life for you
Sometimes I wake up
reaching for him
I feel his shadow brush my head
But there's just moonlight on my bed
Was he a ghost was he a lie?
That made my body laugh and cry?
Then by my side the proof i see
his little one, gods of the sun,
bring him to me!
You will be who you want to be
You, can choose whatever heaven grants
As long as you can have your chance
I swear i'll give my life for you
No one can stop what i must do
I swear i'll give my life for you!
