(KIM bursts into the ENGINEER's shack, carrying TAM)

[KIM]

Engineer! Thuy is dead!

He was going to kill my baby and I shot

[ENGINEER]

You did what? Who is that?

You'll be followed! Get him out of here!

Goodbye!

[KIM]

We must leave! Tam and I!

We must set off for America tonight

[ENGINEER]

Oh right! Just like that!

Tell me how, and tell me at it, tell

Me why

[KIM]

I hear the voice of my soldier

Telling me to bring...his son

[ENGINEER]

You're telling me this half-breed brat

Is born the son of a marine?

Let me see his western nose

This bastard is...

The most beautiful sight I've ever seen!

A passport in my hand

My new life can begin

Your brat's American

So they must let us in!

In!

The playground of mankind!

The movie in my mind!

I'm your dear brother from now on

And all our family is gone

Boy, kiss you brand-new uncle Tran

This kid is okay
He is our entree
To the U.S.A

With these two little diamonds to bait
My hooks
I'll book us a cruise - "Boat-people"
Deluxe
Don't worry 'bout the sharks out in the
Mekong bay
The pirates taking us are more scary any
day

You just stay here and hide
Don't show your face outside
Take care of our little dear
I will go "Engineer"

(He runs out. In the street)

If you want to die in bed
Don't care too much for country
Hit the open sea instead
And float there like a cork
Uncle Ho - Ho! Ho!
I'll have to call you from New York
