[JOHN]

I'm not here as a friend
I have a job to do
It's strange to find my work
Should lead me here to you
Chris knows all about you
I have shown him all this
But I think that it's time
You know all about Chris

[KIM]

Please, don't you see that's all I live for?
I have him and nothing more
At night, everything that's not him
Disappears behind my door

[JOHN]

Please, he went crazy when he lost you
Spoke to no one for a year
Then he finally said "I'm home now,
My life has to go on here"
Please, let me finish talking, please
This was three whole years ago

[KIM]

Yes, yes I know
I know how pain can grow
When the rock you hold onto
Is a love miles away, listen:
Please, I already know the story
Take us to the U.S.A.

[JOHN]

When we've finished here, you'll see him
Chris arrived with me today!

[KIM]

Oh Tam! He's here!
He is here, he's so near
We might breathe the same air tonight!
Your father's here

[KIM]

Oh Tam, It's true
My dream was right
You'll see him soon

[JOHN]

I can't tell her like this

I should not be the one
Chris must first see his son
[KIM]
Please
Don't you see we've
been watched over
As we crossed the
wildest seas
[JOHN]
The don't say in these files
There's a woman in love here
What sustained her for miles
[KIM]
Even God wants us
together
Can I end this
journey
Please?
[JOHN]
Chris still knows nothing of
Can I end this journey Please?
