** 3 ** THE LAST NIGHT OF THE WORLD

CHRIS

in a place that won't let us feel
in a life where nothing seems real
I have found you
I have found you

KIM

in a world that's moving too fast
in a world where nothing can last
I will hold you
I will hold you

CHRIS

our lives will change, when tomorrow comes

KIM

tonight our hearts drown the distant drums

CHRIS

and we have music all right
tearing the night
the song
played on a solo saxophone
a crazy sound

KIM

a lonely sound

BOTH

a cry that tells us love goes on and on
played on a solo saxophone
it's telling me
to hold you tight
and dance like it's the last night of the world

CHRIS

on the other side of the earth
there's a place where life still has worth
I will take you

KIM
I'll go with you

CHRIS
you won't believe all the things you'll see
I know 'cause you'll see them all with me

BOTH
if we're together that's when
we'll hear it again
the song
played on a solo saxophone
a crazy sound
a lonely sound
a cry that tells us love goes on and on
played on a solo saxophone
it's telling me
to hold you tight
and dance like it's the last night of the world

KIM
dreams
were all I ever knew

CHRIS
dreams
you won't need when I'm through

BOTH
anywhere
we may be
I will sing with you
our song. . .

BOTH

so stay with me
and hold me tight
and dance
like it's the last night of the world
