Visit "[The Dance](#)" on MotoLyrics.com

[A MARINE begins to play the saxophone. CHRIS and KIM start to dance.]

[For a long time they don't speak. Finally:]

[KIM]

My name is Kim

I like you Chris

[CHRIS]

Don't talk like that

[KIM]

What did I say?

[CHRIS]

You shouldn't be here

Get the hell out. . .

[ENGINEER]

What's going on?

You don't like her?

[CHRIS]

Oh, yes I do

[KIM]

I like him too

[ENGINEER]

Take her away

[KIM]

Take me away

Don't say a word

Just come with me
