[CHRIS]

john you were great can I see you alone,
I got to know what you ment on the phone
what is this news you recieved,
you could only tell me

[JOHN]

a lot of groups use my bankcok staff
to process problems on their behalf
we got this in from the embacy
it's not easy to tell you
it's best that you see

[CHRIS]

Kim ... It's about Kim isn't it
only you know hard I had tried to get word
tell me first nothing else tell me did she survive

[JOHN]

you must the report Chris but yes she's alive

[CHRIS]

you don't know john these nightmares the things that
i've see
i have seen her face burned seen her shot with my gun
I have chased her through streets and heard nothing
but screams
whats wrong, common, there is still something more

[JOHN]

She has a child, you have a son

[CHRIS]

You won't believe me but I dreamed this john
it's in the nightmare when I see saigon
she says john I am married
Is this story for real

[JOHN]

Im only telling you what I've recieved
But our reports can usally be believed
Kims a ball girl in bancok
Pa I know what you feel

[CHRIS]

It's too late
I have a whole new life
I have a wife I love

she can't just dissapare
[JOHN]
Listen guy
I know the shock you have
it isn't always bad
there are solutions here
[CHRIS]
Oh John I never told her
My wife how can I tell her
But John what do I do
I shattered Kim
Now Ellen too
[JOHN]
I have learned the best thing for a couple to do

[CHRIS]
It's time to tell her

[JOHN]
You should both go to bancok

[CHRIS]

[CHRIS]

[JOHN]

[ELLEN]

[CHRIS]
