AYYYYYEEE... x7

[Verse 1: Young Jeezy]

Class in session when I talk, now listen  
But you know how it goes, real niggas pay attention  
Ain't talkin money, we speakin a different language  
The hating niggas gon' need a translator  
Lets GO!  
They move too slow, when I think too quick  
That's why I flash like Gordon, vrrreeeeooooommm  
I'm light years ahead of you niggas  
That's why I forgot more than you've ever learned  
It's my spot now nigga, you better wait your turn  
And that yayo shit, that's irrelevant  
You can't hide the fact that I'm intelligent  
Street smart, with a little book sense  
A young nigga with a lot of common sense  
They say I'm shallow, but I think so deep (how deep?,  
how deep?)  
Deep as the abiss  
So when you get a minute, take a look at my wrist  
Wussup!?

[Chorus: Young Jeezy]

Hypnotize, you will hypnotize  
Hypnotize, you will hypnotize  
Hypnotize, you will hypnotize  
Hypnotize, you will hypnotize  
Now I command you niggas to get money (Hey!)  
Now I command you niggas to get money (Hey!)  
Now I command you niggas to get money (Hey!)  
Now I command you niggas to get money (Hey!)

[Verse 2: Young Jeezy]

Rock ice, yeah nigga live life  
Can't explain the feeling when I'm riding in the Chevy  
(Deeeuummm!)  
I'm on top of the world  
Just it gives me the chills, yeah them big ol' wheels  
A thousand there, with the dreams in "Mills"  
Steak grands at the mall, yeah, just for thrills

Shit, I get it right back nigga, that's for real  
It's all in the game, free throws and fouls  
Half a "mill" in the basement, god damn I'm flagrant  
I want it all, no matter the cost  
Fuck the consequences, ain't nothing to a boss  
Made a lot out of a little, something out of nothing  
I'm so proud of me  
With the streets on top, where they supposed to be  
The sky is the limit, that's what Jesus said  
And the limit is the sky  
Let's slice that pie  
Wussup!

[Chorus x2: Young Jeezy]  
Hypnotize, you will hypnotize  
Hypnotize, you will hypnotize  
Hypnotize, you will hypnotize  
Hypnotize, you will hypnotize  
Now I command you niggas to get money (Hey!)  
Now I command you niggas to get money (Hey!)  
Now I command you niggas to get money (Hey!)  
Now I command you niggas to get money (Hey!)  
Hypnotize, you will hypnotize  
Hypnotize, you will hypnotize  
Hypnotize, you will hypnotize  
Hypnotize, you will hypnotize  
Now I command you niggas to get money (Hey!)  
Now I command you niggas to get money (Hey!)  
Now I command you niggas to get money (Hey!)  
Now I command you niggas to get money (Hey!)

(beat fade out)
