Beaster

Chorus:

You can hear me 'fore you see me I got king kong in
the trunk

King kong, king, king, king, king Kong, King
King Kong, King, King, King, King Kong

You can hear me 'fore you see me You can hear me
'fore you see me

You can hear me 'fore you see me I got king kong in
the trunk

King kong, king, king, king, king Kong, King
King Kong, King, King, King, King Kong King

King Kong, King, King, King, King Kong

You can hear me 'fore you see me I got king I got king
kong in the trunk

Verse 1: A yo this beat is bananas

Gave King Kong a tree and put 'em in the trunk of the
McClaren

So when the doors lift up they fall off

Take a look at my ride you see the doors is all off

And the wheels look flat, trunk so heavy in the back

Got the speakers in the front, they be sitting on my lap

Got the bumpers to the ground, 'cause the trunk
weighing it down

They think it's a lowrider when they come from outa
town

And that's 'cause King Kong, in the trunk, that's the
gorillas behind me

So when I'm rolling through your hood anybody can
find me

You can hear me from the next block

When I'm on the next block, when I'm headed to the
next block

Got you jumping to the next block

Chorus: King Kong, king, king, king, king kong, king

King Kong, king, king, king, king Kong

You can hear me 'fore you see me (3x's)

I got king kong in the trunk

King kong, king, king, king, king Kong, King
King Kong, King, King, King, King Kong King
King Kong, King, King, King, King Kong
You can hear me fore you see me
I got King, I got King Kong

Verse2: Lil' Momma got to stumping and jumping
When the bass start bumping
So I told her she weren't talking about nothing, and she
just fronting
You can hear me from a block
And you already know what's up
With the women cause they feeling how it rumble in my
trunk

I got plenty speakers up in my trunk and I turned it up
And all the ladies loving how it be bumping
They can check it out, you can hear me 'fore you see
me
I got beats up in the trunk
All the ladies want to chase me when they hear my
system bump

Say Jibbs I'm bout to head out to that Lou'
And holla at you about fedy, hit my celly soon as you
ready
Count this cheese like a deli
They thought I was a lunatic when I pulled up to the telly
I had that candy coated chevy, showing it's grill like it's
nelly
And the ladies love me why is that,
They love the way I be getting my lean on
Yellow diamond ring and my multi colored diamond
bling on
Got that King Kong, yea I bet ya this gon' be the theme
song
Cause that King Kong will have your ears ringing like a
ring tone

Chorus: King Kong, king, king, king, king kong, king
King Kong, king, king, king, king Kong
You can hear me 'fore you see me (3x's)
I got king kong in the trunk
King kong, king, king, king, king Kong, King
King Kong, King, King, King, King Kong King
King Kong, King, King, King, King Kong
You can hear me fore you see me
I got King, I got King Kong

Verse3: yea, yea, yea, yeah
Yo bitch is knockin', I got it on lock

Cause I make hits like I'm boxing
Start it up and it sound like a rock hit it
Then it have ya hangin' inside, like a pocket
See the beats is beating, ya hear me before you see
me
Before you even can reach me, and then have ya
thinking
That this boy is a beast in the streets
While ya blinking, have ya wobbling like you been
drinking
I'll eat ya, it's like I got speakers in my speakers
So when they speaking on it all they can speak of is a
beaster boy
So don't make me just treat ya to a feast

A beast'll just beat off both of your ear drums

Chorus:

(Repeat 3x's)

King Kong, king, king, king, king kong, king

King Kong, king, king, king, king Kong

You can hear me 'fore you see me (3x's)

I got king kong in the trunk

King kong, king, king, king, king Kong, King

King Kong, King, King, King, King Kong, King

King Kong, King, King, King, King Kong

You can here me 'fore you see me

I got King, I got King Kong
