[CHORUS X2]

Yea, I been there  
I done that  
Knock the pussy out, now she running back  
So I knock the pussy out  
Knock it out, knock it out  
I knock the pussy out  
Knock it out, knock it out

[VERSE ONE]

First thing first, I like all kinda hoes  
Some go to spellman, some dance with no clothes  
Mama name me Joc 'cause I do the damn thang  
When I throw the dick they come back like boomerangs  
Beat the pussy up like a ole beat machine  
Oop, there it is, bring a friend, tag team  
Then I beat 'em up like the woofers in my vert  
I give her tylonel 'cause she say her jaws hurt  
Need a chick like Trina, make her dreams come true  
Baby when I cum, guarantee you cum too  
And like Three 6, the dick hypnotize minds  
I put that on my mama baby if you think I'm lyin'  
Lil mama I'mma (beat it up)  
All night I'mma (beat it up)  
That mouth, I'mma (beat it up)  
That back, I'mma (beat it up)  
That's right I've ...

[CHORUS X2]

I been there  
I done that  
Knock the pussy out, now she running back  
So I knock the pussy out  
Knock it out, knock it out  
I knock the pussy out  
Knock it out, knock it out

[VERSE TWO]

1 + 1, then that equals two  
Bitches on deck, one for me and one for you  
Just the way I like, straight A-Town

Meet me in the room, guarantee it go down  
Yea, your baby daddy mad, you woulda spilled the  
beans  
Don't get mad 'cause she on my drill team  
I turn virgins into sex fiends  
I turn nightmares into wet dreams  
Make a jukebox wet, make her think she on her cycle  
Hit her from the back, then I grab her by the micros  
Make her touch her toes 'til her knees turn weak  
Neighbors complain 'cause they say they can't sleep  
Lil mama I'mma (beat it up)  
All night I'mma (beat it up)  
That mouth, I'mma (beat it up)  
That back, I'mma (beat it up)  
That's right I've ...

[CHORUS X2]

I been there  
I done that  
Knock the pussy out, now she running back  
So I knock the pussy out  
Knock it out, knock it out  
I knock the pussy out  
Knock it out, knock it out

[VERSE THREE]

When it's time for round three, strap on another glove  
T.K.O, now the hoe all in love  
She love to call me tyson when I nibble on her ear  
I hit her wit a combo, now she call me Holyfield  
I know it sound vulgar but that's the way she like it  
Got the worlds biggest (shhh), don't matter, just don't  
bite it  
No I'm not conceited but see I keep it trill  
Playboyz shout it, Mr Black and decradrill  
Yea your girl say my name, please don't take offense  
Have 'em bent like this, suckin' on some gangsta shit  
I don't think it's worth it if you really want the truth  
'cause this present time she givin' brain in the houpe  
Lil mama I'mma (beat it up)  
All night I'mma (beat it up)  
That mouth, I'mma (beat it up)  
That back, I'mma (beat it up)  
That's right I've ...

[CHORUS X2]

I been there  
I done that  
Knock the pussy out, now she running back  
So I knock the pussy out  
Knock it out, knock it out

I knock the pussy out  
Knock it out, knock it out

[REPEAT X2]  
Lil mama I'mma (beat it up)  
All night I'mma (beat it up)  
That mouth, I'mma (beat it up)  
That back, I'mma (beat it up)  
That's right I've ...
