Keep it on tail, do act loud mama
In the bed I'm finna put the bat down mama
Take the first flight down to Lac town mama
Then I spray on your back like a Mac round mama
Actin like u own me girl but I don't even know u
And Game on your brain
While your man is looking for you
'Bout 'bout how you try and play it
If I say it then I mean it
If I say "No Ma'm" then I ain't finna eat it
If I say boss tip put your melon on my penis
So Boss (boss) Boss (boss)
Boss me to Venus
(Bitch) Nigga I be heemin'
While your girl steady screamin'
And that Pearl (p-p-pearl, ya)
Got a nigga leanin like
