(Intro-Haha this ya boy Brisky Man I told you Ima Have

Yeah.

Shawty see us and freeze like we the coppers
I am the one that yours huns on top of
One glance of me they get wetter than a lobster
I run this
Shawty dumb thick
Scrumptious make me wanna eat her like the munches
Make the whole club jump like bungee
Brisky got more game than Tony Dungeon
And that's a head coach, your girls on my team
She say I'm too fire, Hah Gasoline
She says my swags on point no ballerina
She say yo swagga look like it is Halloween
I had to take her dude
I love the way she move
Lil mama dance nastier than baby food
If you aint heard about Brisky he's a ladies dude
Running this thing like Mike did in 82
Shawty Scrumptious, Shawty Dumb Thick
Take her to my crib and show her who really run this
Shawty Scrumptious, Shawty Dumb Thick
Take her to my crib and get it bumping, bumping
Shawty Scrumptious, Shawty Dumb Thick
Take her to my crib and show her who really run this
Shawty Scrumptious, Shawty Dumb Thick
Just like this song get it bumping, bumping
