[Verse 1:]

She was 5'7
True Religion jeans
What you would really see
In a magazine,
Shawty
Baby come here
(Come Here Girl, Won't you come here girl)
But she had pretty brown eyes
And I never seen
No one like this
Only in my dreams
Shawty
So won't you just come here girl
And let me show you

[Pre Hook:]

So come here if you want it girl
You ain't really gotta fight it girl
It's on you if I'm invited girl
To have a space up in your world
Anything else you wanna know?
If not then what you waiting for?
So Girl tell me
What you really really want from me?

[Hook:]

Cause you got me Like Oh Baby... [x2]
Do you wanna really take it slow Baby? [x2]
Shawty where you wanna go Baby? [x2]
Cause we can slow down baby
We can slow down baby
Tonight

[Verse 2:]

So much hotter than the other ones
A competition to me
But I know she gonna be the one
Her body' way hotter than the sun
Her swagg is on a level that can't be compared to one
But she had pretty brown eyes

And I never seen
No one like this
Only in my dreams
Shawty
So won't you just come here girl
And let me show you...

[Pre Hook]
