[Verse 1:]

Shorty I stepped in it like this
See I'm not fronting
All these chicks look fly
I'm a get one and
I stepped in the door
When I walked in they on the wall I'm looking at em like
Oh
So I saw a lil mama See I
I stepped to her on the floor got with her see I
So I stepped to her like this
And told the DJ run it back do it like this

[Pre Chorus:]

A girl with you on the wall
Let me see how you break it down
Let me see you turn it out
Girl with ya crew and all
Let me see how you make it bounce
Let me see you get loud
All you gotta do is make that call
Everybody window to the wall
We gone get it in here
Somebody just call the cops cause it serious
We take it to the floor

[Hook:]

Pop just make it real quick
What you want, do you, just make it legit
The way you shaking that
Make ya boy wanna move I'm chasing you sick

Pop just make it real quick
What you want, do you, just make it legit
The way you shaking that
Make ya boy wanna move I'm chasing you sick

[Verse 2:]

See round 2 this time we on our get down
Tell the DJ this time no slow down
Everybody out the pockets

Fellas doing their thing and Ladies... Hydrolics
See we gone do this all night ya'll
Everybody keep it up double up ya'll
See we gone do it in here
Rip it up, Ya boi Quis
Make em move in here

[Pre Chorus]

[Hook]

[Bridge:]

Girl said I know that I ran into something
Something that was out of my league
But girl I'm not playing no games I'm trynna pursue you
Uh-Oh
When I'm up on this dance floor it's not the same
But I know with you girl together we gone show them
that we can Oh'

[Hook]

[Bridge x2: Fat man Scoop]

If this is your time get ya hands Up
If this is your time get ya hands Up
If this is your time get ya hands Up
Get em up
Push em up
Get em up
Push em up

Don't Stop!
