#### [Verse 1]

I'd like you to see what I see  
Feel what I feel  
Breathe how I breathe  
When I wake up every morning with the spirit up high  
Know I'm flowin through the day, thoughts swimming  
through the sky  
It's limitless, my brain's the intersect  
And trust me roDDie hasn't come across no limits yet  
It's like a baby that just tried walking, it's genuine  
I'm losing my mind but everybody is getting it  
It's about that time

#### [Chorus]

This my purest form and like this I'm gonna rise up  
(rise up, rise up)  
(Get roDDiefied)  
I'm just being me, I don't need to disguise (guise,  
guise)  
(Get roDDiefied)  
I keep it real cause this is my life yo (life yo, life yo)  
It's about that time

#### [Verse 2]

You want rap to be back  
Rap to make sense  
Rap to transcend  
Then my heads, let's push it  
Don't just talk change clipping the bushes you gotta rep  
it  
Get on board, I ain't the pres' but I'm running for  
captain  
Know you're tired of the same old sh\*t  
'Cause if knowledge was money most wouldn't be rich  
And if progress were the bars you spit, we'd be all  
behind  
All I'm saying is stop praising doing time  
It's time

[Chorus]

This my purest form and like this I'm gonna rise up  
(rise up, rise up)  
(Get roDDiefied)  
I'm just being me, I don't need to disguise (guise,  
guise)  
(Get roDDiefied)  
I keep it real cause this is my life yo (life yo, life yo)  
It's about that time, this is my life

This my purest form and like this I'm gonna rise up  
(rise up, rise up)  
Young roDDie  
I'm just being me, I don't need to disguise (guise,  
guise)  
Oooh  
I keep it real cause this is my life yo (life yo, life yo)  
I'm keepin it real, this my life, this is my life

Ooh baby don't stop!

I ain't done yet

[Verse 3]

This the difference, this has heart, soul and vision  
Product of my own decision  
Advertising ambition  
The Young roDDie way  
Plus talent that backs up the sh\*t that I say  
Who flow on a beat like me except for legends  
And ni\*\*as that's longer in the game than a decade  
Smart-ass brotha, hell of a charisma  
Charm like a crooner, watch when I whisper  
Nerd and a winner, time for some action  
Educated ni\*\*a, composing musical figures  
Then figuratively pulling them triggers, killing them  
tracks  
They bidding on when I'm kidding, you be shitting your  
pants  
Who bigger by himself with no crew or help  
Who better with this production rocking a wealth  
Of sounds and colors turned dÃ m black the others  
look pale  
Young roDDie is the deal, it ain't hard to tell  
It's my time

[Chorus]
