Verse 1

(Young roDDie)

Man I get outta bed, the sun woke me up
And I'm not feeling tired as F*** (keep it clear)
As I jump up waiting for my stomach to rebel
So surprised I miss the pain and grumble I'm used to
feel
It's a good day, true that, I can tell
The moment my eyes open regardless of how I felt
Last night whether softcore pillow fights in the club
Or randomly hanging with my dawgz
Or watching spammers bullshitting people on youtube
They live for their comments filling channels with their
blues
Don't matter, it's all good in beautiful weather
Creativity's in my head, I got a passionate heart
And with drive between my legs I'ma go spatter
My ideas splatter like blood when I kill it in the booth
Sometimes the pre's phantom goes off when I shoot
Can't help my hotness, I just do what I do, so you know

CHORUS 1

They wanna know (they wanna know)
What's up,
This for all my people who just can't get enough, and
some others
They wanna know (they wanna know)
What's real
When I put it down you will understand the deal, and
some others
They wanna know (they wanna know)
What's black
Sound, look and feel good and just appeared on the
map, and some others
They wanna know (they wanna know)
What it do, uh huh
They wanna know (they wanna know)
What it do, uh
Right here it's all love that's why you're feeling it too

VERSE 2
(Danny Fresh)

Danny und Young roDDie
Und alle wollen's wirklich wissen
Doch ich hab kein Bock wie
Morgens weg von meinem Kissen
Beam me up Scottie
Ich bin da fÃ¼r zu gerissen
Und bin ein Style Gott,
Die Meisten kÃ¶nnen's nicht diggen
Ich sag nur ein Wort
Und die Booth wird zerrissen
Du bist ein Schmock
Eben einfach so
Weil ich eben einfach flow,
Mein Leben ist 'ne Show
Ich nehm' das Mic und die Jungs und Ladies sagen (oh)
Ich kann mich wiederholen, hab kein Problem damit
Denn Deutschland und Dieter Bohlen sind Legasteniker
Hey, ist nicht alles politisch korrekt
Doch du und dieser Beat, ihr seid einfach zu fett
Ich kann nichts da fÃ¼r, ihr wolltet meine Meinung
haben
Manchmal hab ich'n Schaden und trag' Verband wie
Bin Laden
Nimm' das alles bitte nicht so ernst
Ich mache das worauf ich Bock hab und das ist es wert,
yes!

CHORUS 1

They wanna know (they wanna know)
What's up
This for all my people who just can't get enough, and
some others
They wanna know (they wanna know)
What's real
When I put it down you will understand the deal, and
some others
They wanna know (they wanna know)
What's black
Sound, look and feel good and just appeared on the
map, and some others
They wanna know (they wanna know)
What it do, uh huh
They wanna know (they wanna know)
What it do, uh

CHORUS 2

They wanna know (they wanna know)
What's up,
This for all my people who just can't get enough, and
some others
They wanna know (they wanna know)
What's real
When I put it down you will understand the deal, and
some others
They wanna know (they wanna know)
What's black
Sound, look and feel good and just appeared on the
map, and some others
They wanna know (they wanna know)
What it do
Right here it's all love that's why you're feeling it too

(They wanna know)
