Why yes.

I got your girl like. 3x

Hit it from the back till she scream out stop.
Homegirl like it rough so I beat it like a cop.
Put her on top tell her toot her shit
And if she wants sex she can use my dick
I be eating her clit when a nigga so hungry.
Your boyfriend don't so his girlfriend want me.
Call me and I'll make it juicy
You can just do you and watch her do me
House or jacuzzi car or the movies
Beat it so much that shawty wants to sue me.
Lick it like a envelope and mail my dick
In her pussy ima go hard never shall
Be a rookie.

Only for my main girl never from a groupie.
Jumps in her pussy and my head go down.
If it smell like water ima eat it right now.
Got ya girl making sound that her on the beat.
Walk into my house that's her the my sheets
She heard I was weak but she knew that was fake.
I threw my dick in her only half she can take.

Like a earthquake pussy so good
