When there's nowhere else to run
Is there room for one more son
One more son
If you just hold on
If you just hold on, hold on,

I got soul but I'm not a soldier
I got soul but I'm not a soldier
I got soul but I'm not a soldier
I got soul but I'm not a soldier

From peace in the world, I'm a big supporter
All these kids wanna drink his water
But the conflict destroys the bricks and mortar
See pain in their eyes I can feel the torcher

When there's nowhere else to run
Is there room for one more son
One more son
If you just hold on
If you just on hold on, hold on,

I got soul but I'm not a soldier
I got soul but I'm not a soldier
I got soul but I'm not a soldier
I got soul but I'm not a soldier

Listen, you got no love coz u never received it
And that's coz u never did teach it
Preach this, lets the kids go
Coz love is a potion traped in a soul

When u think your battles are won
Then u find it's left undone, left undone
If you can't hold on,
If you can't hold on
Hold on

I got soul but I'm not a soldier
I got soul but I'm not a soldier
I got soul but I'm not a soldier
I got soul but I'm not a soldier

See me I'm the type that will die for a cause
But no kids will die for a war
Let fight for a cause, pray for a better days
When going gets tough there's a better way
Fasze u now u been there when there's a better days
Normal pain my lifes gotta better page
And no kid should die for a war
I will fight in the eyes of the lord

I got soul but I'm not a soldier
I got soul but I'm not a soldier
I got soul but I'm not a soldier
I got soul but I'm not a soldier

Let them breath in air don't chock them
I got souls so my heart stays open
Stop the wars let the kids incorpen
I seen light look over the ocean

I'm not a solider

Yea yea yea yea
Yeahh u now u gotta help me out
Yeah oh don't u put me on the back burn noooo
You now u gotta help me out yeahhh
You gonna bring yourself down

Over and in, let us call for sin
Where everyone loves the battle is one
With all these things that I have done

I got soul but I'm not a soldier
I got soul but I'm not a soldier
I got soul but I'm not a soldier
I got soul but I'm not a soldier
