Blackberry Molasses
One of the things that never change
You gotta keep pushin on
The sun don't rain all the time
There's gonna be some heart ache
And pain
Woke up Sunday morning
Gotta little bad news today...ummm
They say my life aint worth living
And time is slowly ticking away
Don't think that Im goin crazy
Cause thought be runnin through my head
I know I gotta be strong
Gotta hold on
Sometimes I'd rather give up instead
Seems like Im better off dead
Blackberry Molasses
One of the things that never change
You gotta keep pushin on
The sun don't rain all the time
There's gonna be some heart ache
And pain
Don't tell me how to live my life
After all that we've been through
Don't wanna live out your hardships
Cause Ive been there myself
A time or two
Still life goes on
If you just keep movin on
So many things to survive
Wont you realize
There's no such place as paradise
At least in my eyes
Blackberry Molasses
One of the things that never change (never change)
You gotta keep pushin on
The sun don't rain all the time (no)
There's gonna be some heartache
And pain (heartache and pain)
Blackberry Molasses (black)
One of the things that never change (never change)
You gotta keep pushin on

The sun don't rain all the time(no)
There's gonna be some heartache
And pain (heart)
