We're goin' strong rock it till the sun comes up  
We shoot it like a rocket to the highest top  
We're goin' strong rock it till the sun comes up  
We shoot it like a rocket to the highest top  
Ready or not, it's getting so hot  
That supersonic sexy feeling  
Smoother than a Lamborghini

We're just gonna rock it till the sun goes down  
We're spinning like a twister through this crazy town  
World in our hands, destined to dance  
That supersonic sexy feeling  
Smoother than a Lamborghini

Feel it all night, every night (till the break of dawn)  
Feel it all night, every night (people, sing along!)

Maybe one day we'll be united  
And our love won't be divided  
Maybe one day we'll be united  
And our love won't be divided

Maybe one day we'll be united  
(We're not gonna quit anymore)  
And our love won't be divided  
(We're not gonna quit anymore)  
Maybe one day we'll be united  
(We're not gonna quit anymore)  
And our love won't be divided  
(We're not gonna quit anymore)

We're gonna gonna tell the world to kick some ass  
To get ourselves together and clean up this mess  
Ready or not, it's getting too hot  
That supersonic sexy feeling's  
Really slowly disappearing  
Bring it all back, bring it back (before the break of dawn)  
Bring it all back, bring it back (people sing along!)

Maybe one day we'll be united

And our love won't be divided  
Maybe one day we'll be united  
And our love won't be divided

Maybe one day we'll be united  
(We're not gonna quit anymore)  
And our love won't be divided  
(We're not gonna quit anymore)  
Maybe one day we'll be united  
(We're not gonna quit anymore)  
And our love won't be divided  
(We're not gonna quit anymore)
