[Beanie Sigel]

1-900-Hustler, Sigel, holla at your boy  
What's the problem shorty?

[Shorty]

Yeah whattup man  
I'm the only nigga from Brooklyn out here man  
I'm tryin to lock the spot down, holla at me

[Beanie Sigel]

Alright; hold on - Hova, line one

[Jay-Z]

Here's a couple of suggestions of how you could  
finesse it  
You find a dude in town, you send him a short  
message  
Say, "Hey, I'm new in town, I don't know my way around  
but I got some soft white that's sure to come back  
brown  
I get that butter all night  
cause most niggaz don't know a brick from a bike  
They keep buyin hard white  
And if you free tomorrow night we can meet and  
discuss price  
FYI, I never been robbed in my life"  
Or -- you find a chick, shit, you hole up in her crib and  
let her introduce you 'round town like her man  
Shake hands, make friends like it's all innocent  
then -- before they look up you sellin the town cook-up  
Or -- gorilla pimp, come up on that killer shit  
Take a nigga brick, smack him, then you sell it back to  
them  
Still there Brooklyn?

[Shorty]

Yeah yeah that's gangsta, I think I'ma roll with that one

[Jay-Z]

Make out a check for eight hundred dollars

[Beans] 1-900-Hustler, Sigel, holla at your boy  
[Chris] Whassup Sig? This Chris out the Young Guns  
dog  
[Beans] Whattup?  
[Chris] I'm ready to smash these niggaz in the rap  
game  
The niggaz takin too long with that advance money and  
shit  
[Beans] Yeah  
[Chris] Talkin 'bout chill, chill don't pay the bills  
[Beans] Yeah I feel that  
[Chris] I know you well connected dog  
Let me holla at somebody real  
[Beans] Aight look, I got the perfect person for you,  
hold on  
Bleek, line two

[Memphis Bleek]  
Listen shorty, you wanna roll just give me the word  
I ain't got time for a sentence all that shit is absurd  
You find a strip first, if you don't cook find a bitch first  
If you don't hustle find a nigga who pitch first  
You new in town, no red and blue in town, there's  
gangs  
Don't get fresh, let 'em know you small change  
The strong move quiet, the weak start riots  
We know you got a brick but sell 'em twenties til they  
tired  
With no credit, you know you sick with that gotta eat  
fetish  
and other niggaz who gettin it - DEAD IT  
Make 'em an offer that they can't refuse  
He resists, box him in, til he can't be moved  
Here's the rules: chop it, bag it, stash it, stack it  
Get in, get out - that's a O.G.'s classic  
900-Hustler, you pass it around  
Wanna speak to me direct, hit extension trey-pound,  
I'm out

{\*click\*, \*classical type music plays\*}  
[MDKHN] I know this nigga ain't just put.. put me on  
hold man  
This bullshit-ass elevator music  
[Beans] Free, pick up line five

[Freeway]  
First things first, watch what you say out your mouth  
when you talkin on the phone to hus-tlers  
Never play the house, think drought, keep heat in the  
couch  
when you sittin in the presence of cus-tomers  
Never hold out, pull out, throw heat and be out  
if a nigga ever think that he touchin-ya  
Lay low, get cake, whip all over the state  
Stash dough, whip yay with, right amount of bake  
(hoe!)  
Nigga too close went right around his place (yo!)  
You stoppin dough when we clutchin the gats?  
I know you heard "Friend or Foe," this ain't different  
from that  
Make sure you got your four-four and he can slip if he  
like  
Young, Jon Benet daughter missin tonight and yo  
until you up stay away from them dykes and whores  
Three smuts, two straights and a dyke  
can pause one-three rumbles two streaks and a pipe  
for sure  
And if it's tight, then he might come back for more  
Nine and four, everyday back and forth  
Winter to summer, 1-900-Hustler  
Pass the number til you're stackin balls  
Tell you how to weigh shit wet and package more  
I take cash or write the check out to F-R  
two E's, that'll be two G's  
And forget my money I'm comin for all your ki's, nigga  
{\*click\*, \*dial tone\*}

[Beans] Fuck you think this the,  
Get-Indicted-Hotline or somethin motherfucker?  
[MDKHN] Yo, my bad man, my bad  
I know I was talkin reckless earlier about them two  
chickens  
You get it, you know, two chickens? But listen

[Beans] What?  
[MDKHN] Just tell me how to move this shit man  
I'm pushin hardly half a wing back nigga, holla  
[Beans] Get a job, holla at Perdue!
