Don't start no shit, it won't be no shit
Don't start no shit, it won't be no shit
Don't start no shit, it won't be no shit

Out of town hard heads get swiss cheesed up
And you gon' need more than stitches to patch that
leak up
Chump like me up my mouth TB'd up
With the plush leather guts steady grippin' the butt

Oh, you fo sho with it, then pull yo pistol
Show a nigga you ain't hoe with it
And I ain't selfish I will let you and your folk feel it
Talkin' big boy shit me muggin' like a motherfucker my
hand on my dick

Cuz at a grip we keep it jumpin' like it ain't nuttin' new

We started off with Shake Em Off so look potna oh,
guess who
It's them boys from the bottom who took you down 85
And hit you with that U-Way so R O O K I E don't be
surprised

We buckin' blowin' killa and sippin' on something good
I'm peepin' out the scenery and wishin' a nigga would
In 'case it just might pop I'm 'bout ready to lock and
load
To take you thru the south to show you how we throw
dem bows

If you don't give a damn, we don't give a fuck
If you don't give a damn, we don't give a fuck
If you don't give a damn, we don't give a fuck
If you don't give a damn, we don't give a fuck

Don't start no shit, it won't be no shit
Don't start no shit, it won't be no shit
