2AM, wide awake, still thinking
She may be back from France
Oh, I missed you, sweet baby
Whispering Iâ€™m sorry, Iâ€™ve tried, I really do

Some shadows are simply too hard to fight
I wish youâ€™ll understand
Iâ€™ve been up for ever now
Fading for you over and over again
Fading for you over and over again

I guess itâ€™s not that easy, well I donâ€™t know
(Well I donâ€™t know)
Should be running from daylight, sleepless
Waiting for you to hold me, to hold me tight
Just like youâ€™ll never ever let me go

Youâ€™re right, itâ€™s a little too crowded up here
My mind, my head and whatever I might forget
(I might forget)
Is this love, misery or something in between
Iâ€™m confused, youâ€™re upset

Some shadows are simply too hard to fight
I wish youâ€™ll understand
Iâ€™ve been up for ever now
Fading for you over and over again

(over again)
Fading for you over and over again

I guess itâ€™s not that easy, well I donâ€™t know
(Well I donâ€™t know)
Should be running from daylight, sleepless
Waiting for you to hold me, to hold me tight
Just like youâ€™ll never ever let me go

Some shadows are simply too hard to fight
I wish youâ€™ll understand
Some shadows are simply too hard to fight
I wish youâ€™ll understand
Some shadows are simply too hard to fight

I wish you'll understand

I guess it's not that easy, well I don't know

(Well I don't know)

Should be running from daylight, sleepless

I've been waiting for you to hold me, to hold me tight

Just like you'll never ever let me go

Like you'll never ever let me go

(Simply too hard to fight)

Like you'll never ever let me go

(Simply too hard to fight)
