Dressed with invisible pearls and lighted colors
She's a broken flower in a huge wounded body
Traveling for years to find some place to stay
She loses herself in someone else's, someone else's
tragedy

Spinning round like the gypsy fallen queen
Schizophrenic shining secretly
(Waiting sometimes)
For the man who used to say
(Waiting sometimes)
How wonderful she used to be

Tell me little sister is it warm and safe in there
Your face is like winter and your eyes seem so dry
Any words to fill the blanks, speak out little sister
(Any words to fill the blanks, speak out little sister)
Are you waiting somewhere deep inside
(Are you waiting deep inside)

Standing on the corner she's trying sometimes
To touch my world, to reach my side of the wire
Walking the whole universe to cross the line

Spinning round like the gypsy fallen queen
Schizophrenic shining secretly
(Crying sometimes)
For the man who used to say
(Crying sometimes)
How wonderful she used to be

Tell me little sister is it warm and safe in there
Your face is like winter and your eyes seem so dry
Any words to fill the blanks, speak out little sister
(Any words to fill the blanks, speak out little sister)
Are you waiting for me deep inside
(Are you waiting deep inside)

Carousel has slowly stopped spinning around
(Spinning around)
Alice won't be back this time, Wonderland's fading
As she closes the lights and drops the bottle down

Wonderland's fading, Wonderland's fading

Tell me little sister is it warm and safe in there
Your face is like winter and your eyes seem so dry
Tell me little sister is it warm and safe in there
(Your face is like winter and your eyes seem so dry)
Your face is like winter and your eyes seem so dry
(Any words to fill the blanks)
Speak out little sister
(Speak out little sister)
Are you waiting somewhere deep inside
(Are you waiting deep inside)
Are you waiting
