It's 4AM and I, and I can't sleep  
The room is cold, it's hard to breathe  
I've lost my mind only, only to find  
There's nobody for me to speak

(I'm standing there, right next to you  
Your body's warm, but I don't care)

I guess it's late for me to share  
Your body's warm but I don't care  
I'm standing there right next to you  
When dirty lies are bride and blue

I'm on my own for way too long  
There's no time left for confusion  
My heart is broken, love is bent  
I've reached the end, everything's gone  
There's no time left for confusion  
My heart is broken, I've reached the end

It's 4AM and I'm fading  
Wish I was bold enough to scream  
For all I've done and walked away  
There's no much hope for me to pray

(I'm standing there, right next to you,  
Your body's warm but I don't care)

I guess it's late for me to share  
Your body's warm but I don't care  
I'm standing there right next to you  
When dirty lies are bride and blue

I'm on my own for way too long  
There's no time left for confusion  
My heart is broken, love is bent

I've reached the end, everything's gone  
There's no time left for confusion  
My heart is broken

Wish I could open my eyes

Find some place for me to hide  
For all Iâ€™ve done and walked away  
Thereâ€™s no much hope for me to pray  
(Wish I could open my eyes and find some place)  
For all Iâ€™ve done and walked away  
(Wish I could open my eyes and find some place)  
Thereâ€™s no much hope for me to pray

(Wish I could open my eyes)  
For all Iâ€™ve done and walked away  
(Wish I could open my eyes)

Iâ€™m on my own for way too long  
Thereâ€™s no time left for confusion  
My heart is broken, love is bent  
Iâ€™ve reached the end, everythingâ€™s gone  
Thereâ€™s no time left for confusion  
My heart is broken, Iâ€™ve reached the end

Wish I could open my eyes  
Find some place for me to hide  
For all Iâ€™ve done and walked away  
Thereâ€™s no much hope for me to pray

(Wish I could open my eyes  
Find some place for me to hide  
For all Iâ€™ve done and walked away)  
Thereâ€™s no much hope for me to pray
