I would have loved to be somebody else
(would you believe, would you believe)
Iâ€™ve cut myself and prayed for death
(would you believe, would you believe)
This is unreal, I realize, weâ€™re too young for regrets
(would you believe, would you believe)
I gave it up, I gave it up, hard to deny

I would have loved to feel merciful grace
(would you believe, would you believe)
Iâ€™ve drunk from the cup, fell on my knees
(would you believe, would you believe)
Iâ€™ve whipped myself, apologized, weâ€™re too young
for regrets
(would you believe, would you believe)
I gave it up, gave it up, hard to deny

This is it this time, I should say I had enough
Itâ€™s better to dream than live and deny

Would you believe if I swear, if I swear
Weâ€™re spoiling hope bleeding the lies
Weâ€™re way too numb to feel alive

Would you believe if I swear, if I swear
Canâ€™t you read between the lines
Weâ€™re screaming love without a cry

I would have loved to be somebody else
(would you believe, would you believe)
Iâ€™ve cut myself and prayed for death
(would you believe, would you believe)
This is unreal, I realize, weâ€™re too young for regrets
(would you believe, would you believe)
I gave it up, I gave it up, hard to deny

Itâ€™s better to dream than live and deny

This is it this time, I should say I had enough
Itâ€™s better to dream than live and deny

Would you believe if I swear, if I swear

We're spoiling hope bleeding the lies
We're way too numb to feel alive

Would you believe if I swear, if I swear
Can't you read between the lines
We're screaming love without a cry

Would you believe if I swear, if I swear

Would you believe if I swear, if I swear
We're spoiling hope bleeding the lies
We're way too numb to feel alive

Would you believe if I swear, if I swear
Can't you read between the lines
We're screaming love without a cry
