Just one more time tonight I swear (I'll never do it  
again)  
Just one more kiss to show I care (I'll stay with you 'til  
the end)  
I know you put your trust in me (more than I really  
deserve)  
I can tell and it's plain to see (love is in all that I know)

I won't let you down, sleep softly safe and sound  
Just close your eyes and sleep tonight

I'm a fake I'm a fraud when it's all said and done, lying  
to myself  
I'm a ghost on the run from the life that I love on a one  
way trip to hell  
I'm a shame I'm a joke at the end of my rope  
I'm a call with no reply  
Like a bird on a wire dangling on a fire with no courage  
to fly

I know I've got it pretty good (but I'm never satisfied)  
I grip my flesh down to the wood (just to keep you by  
my side)  
Temptations got a hold on me (I'm caught in the  
undertow)  
Just one more taste is all I need (honestly you'll never  
know)

I will drag you down, sleep six feet under ground  
Just close your eyes, enjoy my rise

I'm a fake I'm a fraud when it's all said and done, lying  
to myself  
I'm a ghost on the run from the life that I love on a one  
way trip to hell  
I'm a shame I'm a joke at the end of my rope  
I'm a call with no reply  
Like a bird on a wire dangling on a fire with no  
courage, with no courage to fly

I'm a fake I'm a fraud when it's all said and done, lying  
to myself

I'm a ghost on the run from the life that I love on a one  
way trip to hell  
I'm a shame I'm a joke at the end of my rope  
I'm a call with no reply  
Like a bird on a wire dangling on a fire with no courage  
to fly

I'm a fake I'm a fraud when it's all said and done, lying  
to myself  
I'm a ghost on the run from the life that I love on a one  
way trip to hell(WHOA)  
I'm a shame I'm a joke at the end of my rope  
I'm a call with no reply  
Like a bird on a wire dangling on a fire with no courage  
to fly
