Today I woke up even though I didn't wanna wake up
And yeah I dressed up nice, just despite of myself
Today I danced even though I never feel like dancing
Yeah anything just to make me believe I'm alright

Whoa is me!
I'm just a walking cliché sign taped on my back says
shoot me
Whoa is me!
I'm just a walking cliché sign taped on my back says
shoot me

Today I drove even though I'm in no shape for driving
I grip the bottle tight, close my eyes just for kicks
Today I cried, oh my god, I hate the thought of crying
So say that it helps when there's no helping a poor fuck
like me

Whoa is me!
Today I played my favorite cd, found the saddest song
and put it on repeat
Whoa is me!
Today I played my favorite cd, found the saddest song
and put it on repeat

Truth be known, I'm not alone, I just like the attention
Truth be known, I'm alright, I just like the attention
Truth be known, I'm not alone, I just like the attention
Truth be known, I'm alright, I just like the attention

[illegible]

Look at me pity me I love the attention
(Look at me pity me I need the attention)
