Can you believe that we were strangers?
'n now our window is open on this cloudy winter
But it won't get in
I say: "Home!" you say: "Here!"
This time it could be forever
Don't be scared we're laying perfectly

We're the strangers, we are (we are)
We'll bring ourselves back to life
We're the strangers, we are (we are right here)
To bring us back to life (come to life)

How long have you been searching for something you
just don't know the name?
We all think we're useless as 'n so, 'n so that's why
(Can you believe that we were strangers?
'n now our windowÂ...)
You're close to me 'n if I'm dreaming please don't wake
me up
Just lay beside me
Lay with me now I feel like I'm ready
This time it could be forever
We'll close the world outside
We're laying perfectly

We're the strangers, we are WE ARE
We bring ourselves back to life
We're the strangers, we are WE ARE RIGHT HERE
To bring us back to life (come to life)

LifeÂ... you'll never be alone
You'll never be, you'll never beÂ...
(You'll never be, you'll never be alone!)
You'll never be, you'll never beÂ...
(You'll never be, you'll never be alone!)
You'll never be alone

We're the strangers, we are (we are)
We'll bring ourselves back to life
We're the strangers, we are (we are right here)
To bring us back to life (come to life)
In your eyes, my escape

Everyday we're laying perfectly
In my eyes, your escape
Everyday we're laying perfectly
