Man this the cool nigga step dance one, two

Clean from your head to your waist to your toe
Stunners on your face with a pocket full a' dough
Dont feel like gettin hyphy like we do in the oh'
Butcha wanna shoulder lean like my boy young dro
Fresh to deff kicks dont wanna scuff em' up
Fresh ro spliffs so you fill'n fired up
Gotta hit the bar get a drink get the straw
Find a spot just to post mine usually on the wall
Till my song come on then i do like this
One two step dance cool called the gig
Me and my nigs do the dance ne where
Everybody in the party see us
and they stop and stare
man we dont care
music on and we feelin it
drink in ma hand
theres a song and i aint spillin it

Chorus

Drink in my hand
So you know im gonna gig
When i hit the club its just me and my nigs
Throw your T's up man i represent thizz
