"My City Needs Me"

Visit "[My City Needs Me](#)" on MotoLyrics.com

Doin' this for my city man
Everybody out there
Represent for their city man
A city like mine man
I come from the bottom man
Where they ain't got nothing man
Look look
Where I come from
Where I came to be
Whole different world
Ain't the same for me
I'm a city frustrated
My city angry
They're still mad at some crackers
For killin' â€¦
They're still mad .. gonna
I'm from the ..
My city the
If this was basketball
My city â€¦.
All it was .. some killers
Around me
Sad faces
Everyone was â€¦
Daddy owned drugs
Like he rap the townie
Mama's so high she's scared
Her heart pound in
..

I come from a city
With absolutely nothing
Absolutely nothing
We got nothing
My city needs me
My city needs me
My city needs me
I come from a city
With absolutely nothing
Absolutely nothing
We got nothing

My city needs me
My city needs me
My city needs me
From my city I'm all we got

I'm from OAKLAND
Callâ€¦ My city stays in me
No hope for the kids
Can't pay for the seeds
My little brother brother

Be safe on the streets
You can feel it in the air
The hate in the scene
Especially when a nigger getting' paid
Pay for your cheese
OPD carryn' big .. and squeeze
They got 15 murders
They ain't playin' with J/G
Theyâ€¦ killer con quick
Also some killer con shit
Man the Oakla police
Also got the doom shit
Man the death in the air
It's smellin' when you land
Same spot
Bring the â€¦baby in a trash cane

Chorus

My city needs me
If they wanna go far
My city needs a logo
My city needs a star
My city needs .. talk
What they're goin' through
What's going on in my city
Man I'm showin' you
Bitch .. only fifteen
His mama ..
His daddy sniffs cream
His sisters no boy
His brother don't boy
His granny alcoholic
Man ain't a joke boy
His granddaddy gay
His uncle in the Feds
Ice has got it's aunty on a death pain
He's all by himself no one to feed him
He learned by himself no one to teach him

Chorus
