Hey baby, where you sleeping tonight?  
I will hold you, I will keep you so tight.

Pick up the phone now,  
It's been ringing for days.  
Reach in my pocket,  
Something to ease the pain.  
Tick-tock's repeating,  
Up above on the wall.  
Somebody's keeping,  
Myself from taken that call.

Hey baby, if this is what you're after  
Shots go into a beautiful disaster  
Come in, come in, come in  
You are the answer  
Come in, come in, come in,  
We get it faster now.

Well now the next day,  
I'm waking up all alone.  
It pulls a sweat now,  
This tape is hard to, I know

Grab a mixtape  
And your favorite hat.  
Put on my best shirt  
I know you like it like that.  
I'm getting close now,  
Pulling down your street.  
I don't believe it,  
Not one or two, but there's three.

Hey baby, if this is what you're after  
Shots go into a beautiful disaster  
Come in, come in, come in  
You are the answer  
Come in, come in, come in,  
We get it faster now.

We all need to tear down the wall  
It's already been brought down.

It's just a game, ain't gettin' fair at all.  
Claim me what you will  
I'm holding onto what's not for real  
When you move  
Now I'm done with that deal

Hey baby, if this is what you're after  
Shots go into a beautiful disaster  
Come in, come in, come in  
You are the answer  
Come in, come in, come in,  
We get it faster now
