Watch her run, watch her run  
watch her run  
Red Leather rides her bike to the sun,  
Blue Planet shoots herself  
with the gun  
Oh Karma guide me home

So don't cry  
Tonight

This is your Vegas, this is your Vegas  
In your neon glow, you'll find...

Red Leather, Red Leather  
where you from  
Road running motor bike  
from the sun  
No I'm Route 7, 55, 61  
Oh Karma guideme home

So don't cry  
Save my life  
Tonight

This is your Vegas, this is your Vegas,  
In your neon glow, you'll find

This is your Vegas, this is your Vegas  
In your neon flow, you'll find

You're swimming with the sharks,  
Don't you know  
they'll drag you down  
There's no hope left to find,  
there's no hope in this town  
the Catcher in the Rye and  
the children on the ground  
We're all in the lost and found

This is your Vegas, this is your Vegas  
In your neon glow, you'll find  
This is your Vegas, this is your Vegas

In your neon glow, you'll find  
Your Vegas
