Shut up girl, I know just what you're thinking
Pink stuff in my cup, that's what I'm drinking
2x

Damn it feels so good to be young
C'mon love before the night is done
We need to
Get away
I've been lookin at you but I didn't know what to say
And lets take our time
Let me get inside
Lets take out time
Let me get inside

She's pullin at my shirt
And she's tearing off my jeans she said
I love your tattoos and the way you sing
She's pullin at my shirt
And she's tearing off my jeans she said
A love your tattoos and the way you sing

She says I'm everything she needs
I say she's coming home with me
She says I'm everything she needs
I say she's coming home with me

I'm at the club it's like GIRLS GONE WILD
I'm on my bus it's like GIRLS GONE WILD
Fucking with us is like GIRLS GONE WILD
I haven't fucked this many girls in a while

I need a girl who knows how to party hard
Takin off her pants rackin lines with her credit card
Off with the top gettin down on some shots
She's screamin every evening begging me DON'T STOP
I need a girl whose down to get naked
Get drunk and come over maybe we can tape it
And baby girl you should probably just face it
I'm the fuckin best, I'm so high I need a spaceship

I'm at the club it's like GIRLS GONE WILD

I'm on my bus it's like GIRLS GONE WILD
Fucking with us is like GIRLS GONE WILD
I haven't fucked this many girls in a while
