More than name more than mine
More than life is what you are
More than feeling more than moment
This is all for you my King
I lift my eyes to see your face
I look to you as I run this trace
Lift by be I gonna change
Coming like my hero

I can't wait to be like you
Help me and change in all I do

Â'Cause I living for it's you
Nothing else I wanna do
Keep my life into your hands
I only desire for you
Give me everything to me
Changes my life and wash me cray
Now I'm lost without your love
Â'Cause all of the above

I waiting now
My backing down
Start for me the shame
Â'Cause His kingdom free
Listen king you here
We turn live we give to day (today)
