Fill my life Lord
with Your power
let me see You
reign with sovereignty
i need Your touch

Let the world would
Know You sent me
Let the dead rise
Let the blind man see
You lifted high

Spirit of the Lord is on me
i will go
i will go

Fill this place Lord
with Your power
let me see You
reign with sovereignty
i need Your touch

Let the world would
Know You sent me
Let the dead rise
Let the blind man see
You lifted high

I will go where go You sent me Lord
Jesus my whole life
God its Yours
Spirit of the Lord
I'll go

I'll go
I will go
i'll go
