ha been looking at you for days  
got me all wet with ya candy brain  
bumping in the ride from left to right  
bouncing down the freeway doing ninety five  
hey yo where ya going tonight?  
can this girl get some love i'm burning up inside  
i dont even mind if you're a shy kinda guy  
coz we can do it in the dark or we can turn off the lights  
i said...

(chorus)

if you want to baby  
i'll come and get you honey  
boy you drive me crazy, yeah, yeah  
call me when your ready i'll be there in a hurry  
there's no need to worry  
i'll give you what you need  
only if you want it

ha what you doing later on?  
can i call you on the phone  
damn i tried before what i gotta do you got me feenin'  
for more  
i need alot  
don't wanna waste my time my with you so you so you  
better let it out what your gonna do  
there's a lotta other fellas wanna be in your shoes  
so you better work it out i got a flight at 2

(chorus)

i think i had enough of playing ya games  
you been giving me the eye since quarter to nine  
hey i ain't trying to party here all night  
so get your coat and lets hit the road, woah  
once i get you  
you can't ever let go  
i got ou all up in my lock and under control  
i never had a lover who would beg for more  
i have you screaming out please don't go

(chorus till end)
