My soul  
My soul is black like a bird  
Lies, raven priceless  
Ahead to mediatic crosses  
Engulfed spirally's crown  
Engulfed lustfull desire  
Darkness  
Abyssic cliches  
None habits gather my churches  
I am not the trembler  
Become my serpent, slaved to blissful promises  
Just a point in this deep purple cover  
Absorbed blood on my back shows:  
Black at heart  
Bindweed at heart  
I'm black at heart

Numb opacity  
Guises misled  
Forsake me, humanity

...Crushed by... wither away  
...Torn apart  
Doors opened valley  
Falls into devoid glams

Numb opacity  
Guises misled

Of black I'm covered  
Silently I scream loveless  
Of black I'm covered  
Silently I scream loveless  
Plans passed as steamy vast pointless  
Just one second  
I wanna be  
I wanna be a moment-body  
Release me  
A moment-body  
I wanna be  
Release me

Moment-body

Where seven impaled widows shine under my semen
