I'm gonna tell you a little story  
About this girl we used to know  
She was a friend and so  
I've only got one thing say  
She's so nasty!

Ooh Ooh Ooh

Goes a little something like this!  
Hit it!

Looked into my eyes  
As she passed me by  
A smirk on her face  
She turned and said "Hi"  
Standing over there  
Having no clue 'bout style or flair  
Watching my hair  
Don't go there  
Every time that you see me  
You stop and stare  
Body language was weak  
So I turned the cheek  
Hold me back, I'm about to speak  
I'm about ready, Gonna call my peeps  
"Listen Up, It's the one Mis-Teeq!"

She's a nasty girl  
Messin' my world  
A nasty girl  
(And I said Get up on the mic as we rocked this beat)  
She's a nasty girl (Yo!)  
Messin' my world (Here we go)  
A nasty girl  
(Our style is unique, Can not take the heat)

(She's a fake)

Back in the day,  
Back when I had nothing  
You were my best friend (Ha!)  
Self seeking, scheming

Change when you see a little money roll in  
Pretentious, Dangerous  
I should've never ever ever put my trust  
Calculating and Devious  
Or should I say another one  
Bites the dust

She's a nasty girl  
Messin' my world  
A nasty girl  
(And I said Get up on the mic as we rocked this beat)  
She's a nasty girl (Yo!)  
Messin' my world (Here we go)  
A nasty girl  
(Our style is unique, Can not take the heat)

She was so nasty  
She was really really nasty  
I gonna bring her down  
She gonna bring her own self down  
Ha Ha Ha  
I gonna take you to the cleaners  
Gonna wash your mouth out

How could you be so nasty  
(Shame on you, Shame on you Girlfriend)  
Spreading all your sh\*t around  
(You just nasty)

She's a nasty girl  
Messin' my world  
A nasty girl  
(And I said Get up on the mic as we rocked this beat)  
She's a nasty girl (Yo!)  
Messin' my world  
A nasty girl  
(And I said 1, 2, 3, 4)

This just ain't the way it goes  
Mama never told you so  
There just ain't no way you see  
Change will come eventually  
This just ain't the way it goes  
Mama never told you so  
There just ain't no way you see  
Change will come eventually

She's a nasty girl (come again)  
Messin' my world (say what)  
A nasty girl  
(Sing it again, Sing it again)

She's a nasty girl (Yo!)  
Messin' my world (Here we go)  
A nasty girl  
(Our style is unique, Can not take the heat)

You nasty, girl, you nasty  
You nasty, girl, you nasty
