Album: Lickin' On Both Sides (2001)

To all my ladies what I know you feel the flava
Yo
It's a Mis-Teeq Flip Again
UK
Make way for the I-I-ladies
This is how we do it in a UK vibe
This is how we do it
Ha it's the Mis-Teeq girls up n the Rishi Rich vibe
This is how we do it

This is how we do it, it's Friday night
And I feel all right
The party's here on the West side
So I reach for my 40 and I turn it up
Designated driver turn the keys to my truck
Hit the shore 'cause I'm faded
Guys in the street say, "Girls, yo you made it!"
It feels so good in my hood tonight
The summertime skirts and the guys in Kani
All the gang bangers forgot about the drive-by

You gotta get your groove on, before you go get paid
So tip up your cup and throw your hands up
And let me hear the party say

I'm kinda buzzed and it's all because [This is how we
do it]
The UK does it like nobody does [This is how we do it]
To all my neighbours you got much flava [This is how
we do it]
Let's flip the track, bring the old school back [This is
how we do it]

This is how we do it, all hands are in the air
And wave them from here to there
If you're an O.G mack or a wanna-be playa
You see the hood's been good to me

Ever since I was a lower-case G

But now I'm a big G, the guys see I got the money
Dollar dollar bill y'all

If you were from where I'm from then you would know
That I gotta get mine in a big black truck
You can get yours in a '6 4
Whatever it is, the party's underway
So tip up your cup and throw your hands up
And let me hear the party say

I'm kinda buzzed, and it's all because [This is how we
do it]
The UK does it like nobody does [This is how we do it]
L O N, D O N [This is how we do it] All my homies
Let's flip the track, bring the old school back [This is
how we do it]

Oh I'm buzzing because [This is how we do it]
The UK does it like nobody does, nobody does [This is
how we do it]
L O N, D O N [This is how we do it] All my homies
I'll never come wack on an old school track [This is how
we do it]

Check it out!
Once upon a time in '94
Mis-Teeq made no money and life sure was slow
And all they said was 5'8" he stood
And people thought the music that we made was good
There lived a D.J. PDS was his name
He came up to me and this is what he said
You and them girls are gonna make some cash
Sell a million records and we'll make in a dash, wha!

I'm kinda buzzed, and it's all because [This is how we
do it]
Mis-Teeq does it like nobody does [This is how we do
it]
L O N, D O N [This is how we do it] All my homies
We'll never come wack on an old school track [This is
how we do it]

We got the flava
To all my ladies, what, I know you feel the flava
UK got the flava
UK Make way for the I-I-ladies
Mis-teeq got the flava
This is how we do it
Let's flip the track, bring the old school back [This is
how we do it]
