On ne recule devant rien
Ni le mal, ni le bien
C'est une histoire sans fin
A chaque fois

Cette sensation d'indifférence
Soif de reconnaissance
Qu'on traîne depuis l'enfance
A chaque fois

It's about you, it's about me
It's behind you, it's behind me
It's about you, it's about me
Last Zoom on our love
It's about you, it's about me
Because of you, because of me
It's about you
Last Zoom on our love

On ne se souvient de rien
On prend le même chemin
On pousse encore plus loin
A chaque fois

Cette sensation d'enfermement
De vide et d'isolement
Entre nous l'océan
A chaque fois

It's about you, it's about me
It's behind you, it's behind me
It's about you, it's about me
Last Zoom on our love
It's about you, it's about me
Because of you, because of me
It's about you
Last Zoom on our love

Des mots dans ma bouche
Que tes yeux me soufflent
Redessinent l'encre noir

Les contours de notre histoire.
