Don't worry 'bout me
I'll get along
Forget about me
Be happy my love

Let's say
That our little show
Is over
And so the story ends
Why not call it a day
The sensible way
And we'll remain friends

Look out for yourself
Should be the rule
Just give your heart
And your love
To whom ever you love
Don't you be a fool

(2x):
Darling
Why should you cling
To some fading thing
That used to be
But if you can't forget
Don't worry 'bout me
